Improving Business by Transforming Process

FOR IMMEDIATE RELEASE

27/06/17

ProcessFlows Relaunch Channel Partner Programme

WINCHESTER, HAMPSHIRE, UK – 27th June 2017 – ProcessFlows have relaunched their Channel Partner Programme reaffirming their commitment to their Channel partners. For over 30 years, ProcessFlows has delivered innovative and business enhancing software solutions creating not just a wealth of experience, but also a highly-skilled team of business consultants and analysts.

Furthermore, ProcessFlows have been continually sharing the accumulated experience and the range of successfully adopted best-of-breed technologies with their partners in an effort to transform their business offering as well, creating a tight-knit community of solution providers.

Tailored to suit business models and markets, the ProcessFlows Channel Partner Programme provides a framework to help Resellers expand their portfolio and experience, grow their business, retain customers and increase profits.

Dedicated Channel Team

ProcessFlows have created a dedicated Channel Team to support our Channel Partners fully in every requirement, whether it be generating a quote, gathering information, or helping them to create a personalised Marketing Campaign.

Tim Muckart, Sales Director at ProcessFlows had this to say about the announcement: *“We’re pleased to announce the launch of this year’s partner programme. It renews the focus on what we can provide our partners to help them achieve the best results with their customers. Our dedicated channel team is also on hand to assist partners in any way they need.”*

Download the new Channel Partner programme [here](#), or visit the ProcessFlows website. Meanwhile, you can find more information by contacting the Channel Team at channel@processflows.co.uk or 01962 835032.

Notes for Editors

About ProcessFlows www.ProcessFlows.co.uk

ProcessFlows, based in the centre of Winchester, Hampshire, is a leading provider of solutions and services designed to improve business processes and communications. Since 1987, ProcessFlows has helped thousands of businesses, local councils and government departments to increase efficiency, improve customer service and implement controls for regulatory compliance. ProcessFlows combines business process expertise with market leading technology to provide flexible applications and workflows that augment existing systems and can be deployed quickly to provide a fast return on investment. Our nearshore outsource centre in Sofia provides expert support and managed services 24x7. ProcessFlows offers expert advice at every stage – understanding requirements and providing implementation, training, support and on-going customer care.
